

Clinical Investigator Development Program (CIDP) Research and Goals Statement

Please consider incorporating responses to the following questions or statements in a document that should be up to 3 pages in length.

- Why are you interested in the CIDP?
- Why do you think that you are a good candidate for the program?
- What do you hope to accomplish as an Assistant Clinical Investigator (ACI) and how will participating in the CIDP help you achieve your ultimate career goals?
- Briefly describe the research project that you propose to undertake in the CIDP, including a timeline with interim goals and preliminary data (if applicable).
- Suggest individuals in the Center for Cancer Research, NCI who could serve as appropriate primary mentors for you and your research project. Please indicate if any of these individuals are aware that you are applying to the CIDP or not.

NOTE: It is not necessary for you to have identified a mentor prior to submitting your CIDP application.
