EXAMPLE:

Subject: Volunteers needed: CCR-FYI Newsletter

Dear NCI Fellows,

We want to hear from you!!

The CCR-FYI Newsletter is a venue for trainees to write just about anything of interest to fellows:

- career paths to explore
- courses and workshops to develop new skills
- work-life balance
- anything else that YOU want to write about.

Along with writers, the newsletter team is also looking for editors to provide feedback about articles.

If you are interested in writing or editing for the CCR-FYI Newsletter, please contact me at alida.palmisano@nih.gov for further details.

Sincerely,

Alida Palmisano

Editor-in-Chief of the CCR-FYI Newsletter

Group/Organization volunteering/reviewing

- **Reviewers needed: (name of group/activity)**

EXAMPLE:

Subject: Reviewers needed: 5th Annual NCI Graduate Student Recruiting Program (NCI-GSRP)

Dear colleagues:

We invite you to serve on the review/selection committee for the 5th Annual NCI Graduate Student Recruiting Program (GSRP). As part of the committee, you will review and score ~10 applications (abstract, CV, and three letters of reference), generally in your area of science. One advantage reviewers have is being among the first to view the complete list of applicants.

If you are interested in participating, please enroll as a reviewer when requesting an investigator account on the left-side of the NCI-GSRP application website. If you have previously enrolled as a reviewer, you must re-enroll for the 2020 cycle. Registration in the system can be completed in less than 5 minutes.

Many thanks,
Ofelia
